## 8. Guarantee, Indemnity and Charge

1. In consideration for Integrated Industrial agreeing to supply or continuing to supply goods and/or services on credit to the Applicant, each guarantor named below (**Guarantor**) (and if more than one, then jointly and severally):
  - 1.1 unconditionally and irrevocably guarantees:
    - (a) the due and punctual payment to Integrated Industrial of all amounts, debts and monetary liabilities whatsoever (including, without limitation, costs and expenses) which are, or which may become, payable by the Applicant to Integrated Industrial on any account and in any capacity (**Guaranteed Moneys**); and
    - (b) the performance of each of the Applicant's other obligations under this Application and the Conditions.

(**Guarantee**)
  - 1.2 as a separate and independent obligation, agrees to hold Integrated Industrial fully indemnified with respect to every claim, action, loss, damage, liability, cost, expense, outgoing or payment suffered, paid or incurred by Integrated Industrial in relation to the nonpayment of the Guaranteed Moneys, non-recovery of goods for which payment has not been received or any claw back by any liquidator of moneys paid, or property transferred or delivered, as a voidable preference or on any other basis at law or in equity or as a result of any breach by the Applicant of this Application or the Conditions (**Indemnity**).
2. The Guarantor hereby agrees with Integrated Industrial that:
  - 2.1 To the extent to which any Guaranteed Moneys are not paid when due, the Guarantor must immediately on demand pay to Integrated Industrial the amount of the Guaranteed Moneys that have not been paid.
  - 2.2 If the Applicant fails to perform any other of the Applicant's obligations under this Application and the Conditions when they are due, the Guarantor must immediately on demand cause the Applicant to rectify its default in that regard within any period of time reasonably specified by Integrated Industrial in a notice of default.
  - 2.3 The Guarantee, Indemnity and charge specified in clause 11 of this section 8 (**Charge**) shall be a continuing obligation of the Guarantor and the Guarantor's obligations under the Guarantee, Indemnity and Charge are principal obligations and are not released, discharged or otherwise affected by anything which but for this provision might have that effect, including but not limited to:
    - (a) any other guarantee or any security or instrument which Integrated Industrial may hold in respect of any Guaranteed Moneys or any judgment obtained by Integrated Industrial, or any release, discharge, surrender or modification of, or dealing with, any such guarantee, security, instrument or judgment;
    - (b) any arrangement with, or release of, the Applicant or any other guarantor or person by Integrated Industrial or by operation of law;
    - (c) the fact that any of the Guaranteed Moneys are irrecoverable for any reason;
    - (d) any change in the membership of or termination of any partnership or firm of which the Applicant or Guarantor is a member or the death, liquidation or bankruptcy of the Applicant or the assent of Integrated Industrial to any composition, arrangement or scheme in respect of the Applicant or the acceptance by Integrated Industrial of any dividend or sum of money thereunder;
    - (e) the failure of any other person named as a party to execute this Guarantee, Indemnity and Charge;
    - (f) any variation of the terms upon which the goods and/or services are supplied to, or paid for by, the Applicant (including, without limitation, any variation to the Conditions);
    - (g) any claim the Applicant may have against Integrated Industrial;
    - (h) any act or omission by Integrated Industrial which may result in prejudice to the Guarantor;
    - (i) an increase in the amount of Guaranteed Moneys;
    - (j) the fact that any credit was provided by Integrated Industrial before this Guarantee, Indemnity and Charge was signed;
    - (k) payment to Integrated Industrial by any person which is later avoided by the application of any statutory provision;
    - (l) the death, liquidation or bankruptcy of the Applicant or the Guarantor;
    - (m) the granting of any time, waiver, credit, any indulgence, concession to, composition with, release or discharge by novation of any person whatsoever by Integrated Industrial;
    - (n) the assignment, novation, transfer or assumption of, or other dealing with, any rights or obligations under this Guarantee, Indemnity and Charge or any other document or agreement;
    - (o) whether or not Integrated Industrial has made demand upon the Applicant, given notice to the Applicant or any other person in respect of anything, or taken any other steps against the Applicant or any other person; and
    - (p) any other act, omission, matter or thing whatsoever.
3. Until Integrated Industrial has received payment of all of the Guaranteed Moneys, the Guarantor agrees:
  - 3.1 in the event of any bankruptcy or other administration of the Applicant's estate or any winding up of or scheme of arrangement with respect to the Applicant, that the Guarantor will not without the prior consent of Integrated Industrial lodge any proof of debt or similar claim in respect of

- any debt or liability of the Applicant to the Guarantor on any account whatsoever, nor enforce any security held by the Guarantor in respect of the Applicant and shall hold any such debt, liability or security and any rights or benefits in respect thereof on trust for Integrated Industrial;
- 3.2 if requested by Integrated Industrial, to lodge a proof of debt or similar claim in any such administration and to enforce any such security and to execute all such documents and do all such things as Integrated Industrial may require to enable Integrated Industrial to have and receive the benefit of or arising from any such proof, claim or security;
  - 3.3 not to attempt or purport to be subrogated to Integrated Industrial; and
  - 3.4 the Guarantor's liability under this Guarantee, Indemnity and Charge shall be that of principal debtor.
4. The Guarantor irrevocably appoints Integrated Industrial as the Guarantor's attorney with authority to do on behalf of the Guarantor anything the Guarantor may lawfully authorise an attorney to do in order to give effect to the terms and intent of this Guarantee, Indemnity and Charge, including without limitation the following:
    - 4.1 to make, sign, execute, seal and deliver any document; and
    - 4.2 to take possession of, use, sell or otherwise dispose of any asset of the Guarantor.
  5. The Guarantor further acknowledges and agrees that:
    - 5.1 the Guarantor has signed this Guarantee, Indemnity and Charge voluntarily;
    - 5.2 the Guarantor has had the opportunity to, before entering into this Guarantee, Indemnity and Charge, consult and receive advice as to the significance, effect and consequences of, and obligations created by, this Guarantee, Indemnity and Charge from a legal adviser independent of Integrated Industrial and that the Guarantor has either obtained or elected not to obtain such advice;
    - 5.3 the Guarantor understands the nature and effect of this Guarantee, Indemnity and Charge; and
    - 5.4 it has not entered into this Guarantee, Indemnity and Charge in reliance on any representation, warranty, promise or statement of Integrated Industrial or any person on behalf of Integrated Industrial.
  6. The Guarantor agrees that a certificate issued by Integrated Industrial stating any moneys owed by the Applicant or Guarantor to Integrated Industrial under this Guarantee, Indemnity and Charge shall be conclusive evidence of such amounts owing by the Applicant and Guarantor.
  7. Integrated Industrial may give the Applicant more credit than the Applicant has asked for in this Application. Integrated Industrial is not required to inform the Guarantor of the amount of credit given to the Applicant at any time.
  8. No payment shall operate to discharge or reduce a liability of the Guarantor if such payment is or becomes voidable under any law relating to bankruptcy or the winding up of companies, and no discharge or release consequent upon such payment shall discharge the liability of the Guarantor under this Guarantee, Indemnity and Charge.
  9. Where any provision of or application of any provision of this Guarantee, Indemnity and Charge is rendered ineffective by operation of law in any jurisdiction that shall not affect the validity, legality, enforceability or effectiveness of the remaining provisions or of that provision in any jurisdiction other than the jurisdiction where the provision is rendered ineffective.
  10. The contracts of guarantee and indemnity comprising the Guarantee and Indemnity are separate and independent obligations of the Guarantor and neither limits the generality of the other.
  11. To secure payment of the Guaranteed Moneys the Guarantor hereby charges with due payment of the Guaranteed Moneys all of the Guarantor's present and future interests in real property (**the Property**). The Guarantor agrees that the charge creates a caveatable interest in the Property and the Guarantor consents to Integrated Industrial lodging a caveat or caveats against the Property with respect to the interest of Integrated Industrial in the Property. Upon demand by Integrated Industrial the Guarantor agrees to immediately execute a mortgage or other instrument over the Property in terms satisfactory to Integrated Industrial to further secure payment of the Guaranteed Moneys. The Guarantor hereby and by way of security irrevocably appoints every officer and legal practitioner acting for Integrated Industrial jointly and each of them severally as the Guarantor's lawful attorney with the power and for the purpose of executing (including as a deed) a mortgage or other instrument of security in any form determined in the absolute discretion of the Attorney over any of the Property to secure the Guaranteed Moneys, if the Guarantor fails within a reasonable time of such demand to execute such mortgage or other instrument of security, and to procure the registration of such mortgage or other instrument of security.
  12. All payments which the Guarantor is required to make under this Guarantee, Indemnity and Charge must be made without any set-off, counterclaim, condition or deduction of any kind and for any reason, and are payable to Integrated Industrial on demand.
  13. Any demand or notice may be served on the Guarantor by (a) delivering it to the Guarantor personally, or (b) sending it by post to the Guarantor's address as shown in this Application or as otherwise notified by the Guarantor to Integrated Industrial in writing from time to time.
  14. The Guarantor agrees to fully indemnify Integrated Industrial for all expenses and legal costs (including actual legal fees and disbursements on a solicitor and client basis) that Integrated Industrial incurs in enforcing this Guarantee, Indemnity and Charge.
  15. The Guarantor must pay all taxes, duties, fees, costs and expenses in relation to the negotiation, preparation, execution, delivery, stamping, registration and discharge of this Guarantee, Indemnity and Charge. The Guarantor agrees to pay the GST inclusive amount of any taxable supply made under or in connection with this Guarantee, Indemnity and Charge.
  16. In this Guarantee, 'Guarantor' means the Guarantor jointly and each person who is a Guarantor severally and their respective successors and assigns, and 'Agreement' means all current and future agreements or arrangements.
  17. In this Guarantee, Indemnity and Charge, the following rules of interpretation apply unless the context otherwise requires:
    - 17.1 words denoting the singular number include the plural (and vice versa);

17.2 words denoting natural persons include bodies corporate and unincorporate and their permitted assigns (and vice versa); and

17.3 references to any party to this Guarantee, Indemnity and Charge or any other agreement or instrument include the party's successors and permitted assigns.

18. This Guarantee, Indemnity and Charge is governed by the laws of Western Australia and the Guarantor irrevocably submits to the exclusive jurisdiction of the Courts of that jurisdiction.

Acceptance of Goods or Services by the Applicant is conclusive evidence before any court that these Terms and Conditions (as varied from time to time) apply and are binding on the Applicant.
- 2.2 The terms and conditions of any contract made pursuant to clause 5.1 prevail to the extent that they are inconsistent with these Terms and Conditions. Where no inconsistency arises, the provisions of these Terms and Conditions shall be taken to apply in addition to any terms and conditions expressed in the contract.
- 2.3 Subject to clause 2.2, these Terms and Conditions prevail to the extent that they are inconsistent with any trading terms or other communication provided by the Applicant to Integrated Industrial.

### 3. Credit terms

- 3.1 For the purposes of considering whether to approve the Application and, upon approval of the Application, at any time during the existence and operation of the Account, the Applicant authorises Integrated Industrial to make such enquiries as Integrated Industrial may require to be satisfied as to the creditworthiness of the Applicant. For that purpose, Integrated Industrial may disclose the information in the Application and seek consumer credit information, per Part IIIA of the *Privacy Act 1988* (Cth) (**Privacy Act**). Without limiting the effect of this clause 3.1, Integrated Industrial may make such enquiries with any trade referee named by the Applicant, credit reporting agency or any other relevant third party. The Applicant agrees to provide such signed written authorities, permitting Integrated Industrial to access information pertaining to the Applicant, addressed to the Applicant's banker, or other credit providers, as Integrated Industrial requires from time to time.
- 3.2 Integrated Industrial reserves the right to require, as a condition of the provision of credit, that the Applicant spend a minimum dollar amount per year to obtain Goods or Services from Integrated Industrial.
- 3.3 Integrated Industrial may specify in writing to the Applicant the maximum (GST inclusive) amount that may be charged to the Account over a particular period (**Credit Limit**). The Applicant's Credit Limit is subject to review at any time by Integrated Industrial. Integrated Industrial may, on request in writing by the Applicant, agree in writing to increase or decrease the Credit Limit. The balance of the Account at any one time must not exceed the Credit Limit. The Applicant agrees to immediately pay the amounts charged to the Account for any Goods or Services supplied by Integrated Industrial in excess of the Credit Limit, whether or not demand for payment has been made by Integrated Industrial.
- 3.4 The Applicant acknowledges and agrees that Integrated Industrial may (at any time in its absolute discretion, without notice and without giving any reason) refuse credit to the Applicant and/or suspend or cancel the Account or any credit facilities granted by Integrated Industrial to the Applicant. If Integrated Industrial suspends or cancels the Account under this clause 3.4, the balance of the Account and any amounts owing to Integrated Industrial but not then billed are immediately due and payable by the Applicant to Integrated Industrial.
- 3.5 Integrated Industrial is not responsible for any Loss whatsoever or howsoever caused which the Applicant may suffer as a result of Integrated Industrial refusing to supply the Applicant with any Goods or Services on credit or cancelling or suspending any credit facility granted to the Applicant.
- 3.6 The Applicant is responsible for and agrees to indemnify Integrated Industrial against any unauthorised use of the Account. The Applicant must notify Integrated Industrial in writing of any unauthorised transactions on the Account immediately upon the Applicant becoming aware of them.

### 4. Terms of Payment

- 4.1 The Applicant must pay to Integrated Industrial the whole amount of any debit balance shown on an invoice or statement issued by Integrated Industrial to the Applicant (**Amount Payable**) no later than thirty (30) days from the date of issue of the invoice or statement, unless otherwise stated by Integrated Industrial.
- 4.2 An Amount Payable by the Applicant under these Terms and Conditions must be paid in Australian Dollars and without deduction, retention or set-off of any kind and for any reason whatsoever.
- 4.3 If the Applicant makes any payment to Integrated Industrial, then Integrated Industrial may apply the payment to satisfy any obligation that the Applicant owes to Integrated Industrial (whether the obligation is unsecured, secured by 'security interest', or secured by 'purchase money security interest'). Further, Integrated Industrial may (a) apply or appropriate the payment in any order, in any manner, and at any time that it (in its absolute discretion) thinks fit, and (b) amend, re-apply or re-appropriate any application or appropriation.
- 4.4 Invoices and statements shall be posted to the Applicant at the address specified by the Applicant for that purpose in the Application (or such other address as the Applicant may notify Integrated Industrial in writing from time to time). This shall be sufficient notice of the amount due under the Account.
- 4.5 Any complaint made by the Applicant that a transaction recorded on the Applicant's tax invoice is incorrect must be advised to Integrated Industrial in writing within seven (7) days of the issue of the tax invoice. If this does not occur, the transactions recorded in the tax invoice shall be taken to be correct. If part of the amount in the tax invoice is in dispute, the Applicant agrees to pay the undisputed amount by its due date for payment.
- 4.6 Notwithstanding clause 4.5, the amount stated in a certificate signed by Integrated Industrial's duly authorised representative or solicitor as being due and payable by the Applicant to Integrated Industrial under these Terms and Conditions is prima facie evidence that such amount is owing.

4.7 Where the Applicant has defaulted in its payment obligations under these Terms and Conditions, any amounts owing by the Applicant to Integrated Industrial in connection with the Account may be deducted by Integrated Industrial from any fee payable by Integrated Industrial to the Applicant under any other agreement, contract or arrangement. However, this clause 4.7 does not in any way preclude or otherwise limit the rights of Integrated Industrial to pursue legal recourse in the event of default by the Applicant.

## 5. Quotations, Orders and Contract

5.1 A written quotation issued by Integrated Industrial to the Applicant is an offer to provide Goods and/or Services to the Applicant and will not create any contract for the supply of Goods and/or Services between Integrated Industrial and the Applicant until the Applicant accepts the quotation by written communication to Integrated Industrial or by its conduct in accepting delivery of the Goods or provision of the Services.

5.2 Integrated Industrial may withdraw, revoke or vary a written quotation at any time prior to the Applicant accepting the quotation.

5.3 A written quotation expires on the date specified as the expiry date. If no expiry date is specified, the written quotation expires 30 days after the date of the written quotation.

5.4 Integrated Industrial shall have the right to cancel any contract made pursuant to clause 5.1 including the cancellation of the supply of Goods and/or Services in respect of the same, at any time before the supply of the Goods and/or Services by giving written notice to the Applicant. On giving such notice, Integrated Industrial shall repay to the Applicant any monies paid in respect of the contract. Integrated Industrial shall not be liable for any Loss whatsoever arising from such cancellation.

## 6. Price

6.1 The amount payable by the Applicant to the Customer for the supply of Goods and/or Services is at Integrated Industrial's sole discretion and shall be either:

6.1.1 as indicated on invoices provided by Integrated Industrial in respect of the supply of Goods and/or Services;

6.1.2 Integrated Industrial's current price as at the date of supply according to Integrated Industrial's current prices; or

6.1.3 Integrated Industrial's quoted price provided that the Applicant accepts Integrated Industrial's written quotation within thirty (30) days of the date on the written quotation.

6.2 Where in the period between acceptance of a written quotation and the supply of Goods and/or Services, Integrated Industrial incurs an increase in the cost of supplying the Goods and/or Services, Integrated Industrial reserves the right to (at any time prior to supply) increase the quoted price of those Goods and/or Services by the same amount by which Integrated Industrial's costs increase (**Price Escalation**). The Applicant accepts any such Price Escalation.

6.3 Integrated Industrial reserves the right to vary the price in the event of a variation to the written quotation.

6.4 Integrated Industrial reserves the right to seek a non-refundable deposit from the Applicant, the terms of which to be stated in any written quotation issued by Integrated Industrial to the Applicant.

6.5 In addition to the amount payable by the Applicant to Integrated Industrial for the supply of Goods and/or Services, the Applicant will pay to Integrated Industrial any GST or other taxes related to, or arising out of, the supply of the Goods and/or Services by Integrated Industrial and any other taxable supply arising under these Terms and Conditions or the Application.

6.6 The Applicant agrees to hold Integrated Industrial fully indemnified with respect to all GST paid or payable by Integrated Industrial in respect of any supply to the Applicant.

## 7. Default and Consequences of Default

7.1 In the event that the Applicant fails to make any payment when due then (without prejudice to the Application of any other provision contained in these Terms and Conditions or to any other remedy provided for by these Terms or Conditions or otherwise):

7.1.1 the Applicant must (on demand) pay to Integrated Industrial interest on the amount of the overdue payment calculated daily at the rate of fifteen percent (15%) per annum from the date payment was due until the date that it is paid in full; and

7.1.2 Integrated Industrial may withhold the supply of Goods and/or Services and may (in addition but without limiting the preceding right) cancel all outstanding orders by the Applicant and retain any payments already made.

7.2 No cheque will be treated as payment if dishonoured despite the issue of a receipt. The Applicant will be responsible for any charge or fee issued to Integrated Industrial for any cheques not met on presentation.

7.3 The Applicant unconditionally and irrevocably indemnifies Integrated Industrial from and against all costs and disbursements (including, without limitation, legal and/or collection agency costs) incurred by Integrated Industrial in pursuing any outstanding amount or amounts owing by the Applicant to Integrated Industrial which have not been paid by their due date for payment.

7.4 Without prejudice to any other remedies Integrated Industrial may have, if at any time the Applicant is in breach of any obligation (including those related to payment) which the Applicant owes to Integrated Industrial, Integrated Industrial may suspend any of its obligations under these Terms and Conditions. Integrated Industrial is not liable to the Applicant for any Loss the Applicant suffers because Integrated Industrial has exercised its rights under this clause 7.4.

7.5 Without prejudice to any other remedies which Integrated Industrial may have at law or in equity, Integrated Industrial shall be entitled to cancel all or any part of any order of the Applicant which remains unfulfilled and all amounts owing to Integrated Industrial shall, whether or not due and payable, become immediately payable in the event that:

7.5.1 any money payable by the Applicant to Integrated Industrial becomes overdue, or in Integrated Industrial's opinion the Applicant will be unable to meet its payments as they fall due; or

7.5.2 the Applicant becomes bankrupt, insolvent, convenes a meeting with its creditors or proposes to or enters into an arrangement with creditors, or makes an assignment for the benefit of its creditors; or

7.5.3 a receiver, manager, liquidator (provisional or otherwise), trustee in bankruptcy or similar person is appointed in respect of the Applicant or any asset of the Applicant.

## 8. Limitation of Liability

8.1 To the extent permitted by the law the liability of Integrated Industrial whether in contract or in tort, in respect of all claims for loss, damage or injury in respect of any Goods and/or Services arising from a breach of any of Integrated Industrial's contractual obligations, from any negligence or any act, matter or thing done or permitted to be done by Integrated Industrial, its servants, agents and contractors shall not in the aggregate exceed the amount paid or payable by the Applicant to Integrated Industrial for the Goods and/or Services.

8.2 To the extent permitted by law, Integrated Industrial is not liable for any loss of profits or any consequential, indirect or special loss, damage or injury of any kind whatsoever suffered by the Applicant or its servants, agents or contractors in connection with any Goods and/or Services (including as a result of a breach by Integrated Industrial of these Terms and Conditions) and the Applicant acknowledges this express limit of liability and agrees to limit any claim accordingly.

8.3 To the extent permitted by law but except as otherwise provided in these Terms and Conditions, all express and implied warranties and guarantees in respect of the supply of any Goods and/or Services are hereby expressly excluded and Integrated Industrial shall not be liable for loss or damage (including consequential loss or damage) of any kind arising in connection with the supply of any Goods and/or Services.

## 9. Integrated Industrial's Warranty

9.1. The Applicant shall, within seven (7) days of the supply of any Goods and/or Services (time being of the essence), notify Integrated Industrial of any alleged defect, error, omission, shortage in quantity, damage or failure to comply with the description or quotation. The Applicant shall afford Integrated Industrial an opportunity to inspect the alleged defect, error, omission, shortage in quantity, damage or failure to comply within a reasonable time of receiving notification. If the Applicant fails to give notice in accordance with this clause 9.1, the Goods or Services shall be presumed to be free from any defect, error, omission, shortage in quantity, damage or failure to comply.

9.2. Goods will not be accepted for return other than in accordance with clause 9.1.

## 10. Indemnity

10.1. The Applicant indemnifies and holds harmless Integrated Industrial, its employees and agents from and against any Loss including, but not limited to:

- 10.1.1. legal costs and expenses on a solicitor and client basis;
- 10.1.2. Loss (including consequential loss) in relation to property;
- 10.1.3. Loss in respect of personal injury, disease, illness or death;
- 10.1.4. economic Loss; and
